

The Tararua Tailwagger

Term 2 2025

Message from the Club President:

Who can believe term 2 is over and done already? And we were very lucky with the weather, not too many wet nights.

This issue I'd like to start with a huge **CONGRATULATIONS** to Robyn Bland and her boy Tripp who gained their Obedience Champion status recently. Well done team. Robyn and Tripp are Tararua's fourth obedience champion combination.

Even though it is dark in the mornings and at night, we've had our shortest day/longest night so hopefully soon the days start to get longer. Don't forget to stay safe and be seen when out walking with your dog/s.

In May a small group of very busy club members (and non-club member volunteers) pulled together a very successful Dogs NZ scent work trial. The numbers were huge and the event took a lot of advanced planning. Thank you to all who pulled this together and to those who volunteered to help over the weekend. It was most appreciated.

Once again, thank you must go to our band of hearty instructors who came out each week to help you with deepening your relationship with your dog and working on some new skills.

Also, we must thank our sponsors VitaPet for their generous donation of dog treats and foods that were including in our class packs and handed out on grading night.

Keep up the good work and we look forward to seeing many of you and your four-legged friends back again for Term 3.

Cheers,
Anthea

TADTC Scent Work Trial

Our third DogsNZ Scent Work Trial at Manfeild Park was our biggest yet, held on the 10th and 11th of May. Thanks to the incredible effort of the planning and organizing team, and spirit of our club members and volunteers this trial ran smoothly. Entries filled within days, a testament to the growing enthusiasm for scent work.

Big congratulations to Paul and Bob (left), Michelle and Tommy (right), and Maggie and Riker, who only began training last year and have already made their mark with fantastic performances in Novice. It's inspiring to see new teams stepping up with such confidence!

We celebrated standout results from our more experienced members: Christine and Lani impressed in both Advanced and Excellent, while Lucy and Cino and Elizaveta and Vega showed great teamwork in Advanced. Back in Novice, Lucy and Lilly and Elizaveta and Saoirse turned in strong, focused runs. Your consistency and teamwork really stood out.

With over 530 searches across all levels, the weekend was full-on, but ran like clockwork thanks to our brilliant organisers and volunteers. A heartfelt thank you to the judges, helpers, and our entire club. Additionally, we appreciated the support of scent work enthusiasts from Feilding and Horowhenua Dog Training Clubs (Patricia, Janine, and Wendy). The camaraderie, teamwork, and good humour on display made it an event to remember.

A massive thank you to our very generous sponsor Zealandia. If you would like to know more about their products you can find their info on our [Tararua Recommends](#) page or visit their website [here](#).

Member's Story

Robyn and Tripp have been a team for a number of years and have recently achieved Obedience champion status. This is an amazing achievement which they have worked extremely hard for. Here is what Robyn said:

Making Tripp up to an Obedience Champion was a very exciting moment for me his handler and took several years of training and competing. Tripp is a 7-year-old Golden Retriever, and I was lucky enough to own his dad Lucas (Speyside Winter Spark TCQ) and I also have his nephew, Era (Blairsgold End of an Era).

Training Tripp has always been fun. He is a very enthusiastic boy, always giving me his all and at times giving me his own variations on any exercise (which can make you laugh). He also, when training new exercises will attempt to guess what it is you are asking of him. Tripp especially enjoys heelwork, and his joy is obvious to people when they are watching and for me as his handler. When he was younger, I had to be very controlled with the speed I walked during heelwork as he was always pushing me to move faster. Training has involved going to different dog training seminars and having online lessons with an overseas trainer. I have some of them to thank for the help they gave me in my journey to making Tripp up.

I also have my training and camping buddies to thank for the times they kept me motivated when things weren't always going to plan. Training a dog is not always easy, it has its ups and its downs but seeing them enjoy themselves and the bond it builds with your dog makes it very worthwhile. The little wins we get ourselves when something that we have been working really hard on finally come right in the ring. The cream on the cake, so to speak, are the ribbons you can gain when your dog is working well, or at least better than those you are competing against and of course the friends you meet on the way.

Tripp and I are going to continue on our journey of training and competing in the ring. We look forward to our weekend shows and meeting new people or in Tripp's case going to new places with new smells.

Treat Recipe

Bacon Treats

Ingredients:

125g bacon
2 eggs
150g gluten free flour
Water to thin

Process:

1. Preheat oven to 180°C.
2. Blend bacon and eggs
3. Add flour, stir in enough to make a thin batter
4. Spread over a baking mat silicon mould
5. Bake for at least 8 mins (can be up to 15mins)

I used a pyramid cooking mat, you can get them for \$4 dollars from Temu

Have a go!

STACK OF BOXES

This game will boost your dog's confidence, encourage problem solving, help with reactivity to noise/environmental issues. All you will need is some tasty food/treats and some cardboard boxes.

1. Make sure the dog is ok with scatter-feeding/eating off the floor.
2. Build your stack of boxes. Be creative and include spaces to go over, under, on, and through. Scatter some food/treats among the boxes.
3. Allow the dog to investigate on there on terms. Keep throwing more food without them noticing.
4. Observe your dog carefully. Make sure they are comfortable and confident. If they are not, take some boxes away. Keep it fun and low pressure.
5. When your dog is comfortable, you can add more boxes and other items such as bottles and other containers. You can put rocks in bottles to make noise to help desensitise.
